

BID NO. 619

ITEMS FOR TRAINING, PRACTICE DEVELOPMENT TEAM - £9,453.16

The Practice Development Team asked for the League's support to fund various items for their training sessions particularly for teaching international nurses to pass their examinations to gain their NMC pin number. Without this pin number, nurses are not able to work in the hospital. The items requested included: tympanic thermometers, trolleys, a task trainer for enemas and catheterisation, a resus training model, etc.
